

CURSED - Merlin, where can I find Merlin? (EP5)

written by

EXT. FOREST - NIGHT

We start as we ended with a shot of Samantha entering the tree / portal. As she comes out on the other side we see it is now night and she is stood in a forest.

Moonlight filters in through the leaves on the trees.

Samantha looks around taking it all in, she then looks at Sean leaning over something

SEAN

Look at what I've found over here

Samantha starts to walk towards him

SEAN (CONT'D)

Someone has left a baby here,
just alone in the woods

Samantha picks up the pace, Sean is bending over.

SAMANTHA

Wait, don't touch the bab

As she is just about to finish the word Sean vanishes in a zip of light.

Samantha looks back to see if the tree she came through is still there but it too has vanished. She looks back and now there is a man stood in front of her.

The man is hooded, his face hidden by shadows. He steps forward as quick as a flash and grabs Samantha by the neck. He pushes her back against a tree and holds her up.

MERLIN

Who are you and what are you
doing here?

Samantha is shocked and momentarily stunned and panicked

SAMANTHA

I am... I am looking for Merlin

MERLIN

And who sent you to find The
Merlin?

SAMANTHA

Bri... The dragon, the dragon
sent me

MERLIN

Why would the Dragon not speak to
The Merlin himself? Why send you
when he and The Merlin are as
one?

Samantha is regaining her composure now, the initial shock
gone replaced by her training and in built calmness

SAMANTHA

Who are you?

MERLIN

I am Merlin!

SAMANTHA

Then it is you I seek

MERLIN

Why do you seek those you do not
know?

SAMANTHA

Who is the baby and why did my
friend vanish when he touched it?

Now it is Merlins turn to be a little on edge

MERLIN

Wait, what? Who are you, and what
happened?

SAMANTHA

Let me go

A hesitation but then he does let her go, she stands and
looks him over. He pulls the hood back to reveal himself

MERLIN

You had better tell me everything

EXT. ALLEYWAY - CONTINUOUS

With a zip of light Sean appears in the alleyway.

BRICKY

What are you doing back, that was
too quick

SEAN

I touched a baby, and now I am here. What happened?

BRICKY

Why did you touch the baby?

SEAN

It was just there, I wanted to make sure it was okay

BRICKY

So let me get this right. You are sent back to a magical world, to do one thing and one thing only.

(pause)

You get there, and one of the first things you see, and you decide to touch it?

SEAN

Sue me, Send me back then

BRICKY

I cant, do you have any idea of the power it took just to do it once. I am going to have to rest for many moons before I do that again

SEAN

Christ, is there anything we can do?

BRICKY

Honestly I thought you were the more experienced one, the one who knew when to look and when to touch. But noooo, that would be far to easy wouldn't it

SEAN

I made a mistake, give me a break

BRICKY

God I am glad the human stayed, I can just imagine you we'd have half of the kingdom knowing the future as you offer to share the secrets of making a good scotch

SEAN

Give it a rest or I will bloody
donate you to a school

BRICKY

Blabbing away, just think it
could change everything

With that Bricky just pops from existence, Sean is standing
alone in the alleyway

SEAN

Shit

EXT. FOREST - MOMENTS LATER

Samantha and Merlin are walking through the forest. Merlin is
carrying the baby as they walk.

MERLIN

So this 'bricky' is the Dragon?

SAMANTHA

Yes and he sent us to find you

MERLIN

But it makes no sense...

SAMANTHA

Why ?

MERLIN

Well I am the Dragon

SAMANTHA

!! So the brick is you?

MERLIN

Well I am the Dragon and the
Dragon is me. We are one in the
same. You cant have one without
the other

SAMANTHA

But why...

MERLIN

That is what I don't understand,
it is as if our whole being has
been split into two.

Merlin holds out his hands. The baby that it looked like he was cradling just floats as he continues to walk and talk

MERLIN (CONT'D)

In my left hand you have the Dragon, and in my right is... well me.

SAMANTHA

Do you want me to hold the baby?

She holds her arms out

MERLIN

After what happened to your friend?

SAMANTHA

Good point
(she withdraws her arms)
Why did that happen?

MERLIN

Bloodlines I am guessing. It is one of those great cosmic jokes. Hey here have time travel, but hey also you cant do anything that may have an effect on your future. It kicks you back to your own time. So do not worry he will be fine. Think of it as a recording, a visual record of what happened

SAMANTHA

But why the baby ?

MERLIN

As I said, bloodlines. Arthur meet Samantha, Samantha meet Arthur. Future king of this world

SAMANTHA

That's King Arthur?

MERLIN

The one and only, he and Excalibur will bring harmony and peace to this world

SAMANTHA

Yeah, I'm no...

She clasps her hand to her mouth

MERLIN

It's fine, telling me is fine. I
am one of the immortals

SAMANTHA

Well in my time Arthur is just a
legend

Merlin stops and looks at her

MERLIN

So all this was for nothing, I
fail again?

SAMANTHA

Yes, well no. Oh I don't know.
The worlds not a bad place.
Strange at times, some people are
bad but the world is not bad.
Maybe everything ends up how it
should have ended up

Merlin waves his arms, baby still floating. The world changes
around them. They have left the quiet forest and are now in
the middle of a battlefield. People are fighting left and
right of them, spears flying overhead etc..

EXT. BATTLEFIELD. - CONTINUOUS

MERLIN

Dont worry, you're quite safe.
Only the immortals can see people
skipping in time.

SAMANTHA

What is this?

MERLIN

See that over there?

Merlin points off into the distance

MERLIN (CONT'D)

The bloke on the horse, in silver
armour

SAMANTHA

Sure

MERLIN

That's Uther

(pause)

You do know who that is?

SAMANTHA

Sure, its his father

MERLIN

Right, this is the day he forces
Excalibur through the stone

A knight comes up to them, he pays no attention to either
Samantha or the baby, he just looks at Merlin

KNIGHT

Merlin, are you here to help?

MERLIN

(to Samantha)

Nine moons it took me last time I
helped Uther, nine moons. I come
back and they want more

KNIGHT

Merlin, I asked you a question.
Now is not the time to be talking
to the dragon

MERLIN

(To knight)

If I choose to help it will be
because I choose too, not because
you ask of it

SAMANTHA

He can't see us?

MERLIN

I told you, a visual record.
People see what they want to see

KNIGHT

Merlin!

MERLIN

(to knight)

Yes yes, If I choose to help you
will know about it.

The knight spits on the floor near Merlin and Samantha, he shoos his horse and heads back into battle.

SAMANTHA

Why wont you help?

MERLIN

I spent years nurturing Uther.
All of this would be his

Merlin waves his hand around

MERLIN (CONT'D)

And one night with Igraine. A
moment of weakness and now we
have this, war... death and all
for what?

SAMANTHA

For Arthur...

MERLIN

That is why today must play out
as it does, in time Arthur will
take the throne and then this
will all end

SAMANTHA

I don't.. Can I

MERLIN

It's okay, I know... things never
go to plan

SAMANTHA

I don't think I can tell you

MERLIN

You don't need to, its written
all over your face. He is
supposed to unite the two worlds
(sighs)
I suppose it is your way.

Merlin turns to Samantha

MERLIN (CONT'D)

Lets go somewhere a little
quieter, come

SAMANTHA

Where?

Merlin waves his hand and the location changes to a cliff overlooking the sea

EXT. CLIFF - CONTINUOUS

MERLIN

I like it here, this is where I shall build the castle I think

SAMANTHA

Camelot?

MERLIN

I like it, Camelot

Merlin points at a couple of rocks. He settles the baby (it floats down to the ground) and he sits on one of the rocks

MERLIN (CONT'D)

Here sit

He beckons the the rock next to him and Samantha comes over and sits down

MERLIN (CONT'D)

Where to start.....

Samantha sits and she does not interrupt. She knows that sometimes waiting is a better way to get someone to open up.

MERLIN (CONT'D)

You have to understand I did what I did for the right reasons

(pause)

You have two worlds, one normal and one magical.

SAMANTHA

I'm aware...

MERLIN

So, I am in one world, the Dragon is in another. I am sure you can figure out what way around

SAMANTHA

But you said you and the Dragon are one, you are the same

MERLIN

Well I spoke to Numue, You know
of her?

SAMANTHA

I don't think so

MERLIN

She forged Excalibur, she made me
what I am

SAMANTHA

Oh.. The lady in the lake

MERLIN

Yes, Numue. So this world was
failing. It needed life, it
needed leadership so we hatched a
plan for Uther. You see Uther is
a good man, a just man. He is
however just a man

SAMANTHA

He was lead
(choosing the word
carefully)
astray?

MERLIN

That is one way of putting it. I
think we all are at one point or
another, heck I know I have

SAMANTHA

I'd say it is being led by your
second brain

MERLIN

Hah, that is one way of putting
it. All the strength men have and
yet all that weakness too.

SAMANTHA

Women have it too

MERLIN

Yes, sorry of course. I was just speaking out loud. It is a flaw we all have, love, lust... desire. We all have it. We all fall for it at one point or another

(pause)

Uthers lust caused all that back there

SAMANTHA

Why didn't you stop him if you knew it was going to cause this?

MERLIN

The future is a funny thing, sometimes it is clear, sometimes it is not. I didn't know for sure. Suspected yes, but what I did see was Arthur. So I made a deal with Uther and now here we are.

A bolt of lighting crackles in the background, hitting the sea. It seems slower than normal as it forms, the boom of thunder that happens at the same time makes Samantha just. Merlin and the baby don't move, it is like they don't even hear it

MERLIN (CONT'D)

That was the sword entering the stone. It is now set, when he comes of age Arthur will pull it and be king

SAMANTHA

You said you and the dragon are one

MERLIN

We are. He is magical, I am human. Together we are Merlin. One cannot exist without the other

SAMANTHA

So if bricky... the dragon is in our world then Merlin is also there too?

MERLIN

He must be. As I said you cant
have one without the other

SAMANTHA

So how do I find him.. You?

MERLIN

Ask the dragon

SAMANTHA

But the dragon does not know, he
is the one who sent me here!

MERLIN

How can he..
(pause)
Come here

Merlin beckons for Samantha to come forward, she does so and
he places his hand on her forehead.

We see flashes of everything we have experienced thus far,
importantly we see the barman pinned against the wall that
was killed at the start of EP4. Everything else is random

Merlin stands suddenly and we are back with him and Samantha,
he starts to pace

MERLIN (CONT'D)

Why would I split the worlds?

SAMANTHA

Split the worlds?

MERLIN

In your time, you have your world
and there world. I don't
understand why I would have done
that!

SAMANTHA

How do you know it was you? Maybe
someone else did it

MERLIN

I'd know my handywork anywhere. I
joined the worlds to bring peace,
and yet I split them for some
reason

SAMANTHA

Could it be to do with Lilith?

MERLIN

Maybe... maybe. You must reforge
the bond between worlds if you
want to find me

SAMANTHA

And how in the hell do I do
that!?! I am just me, I'm just
normal

MERLIN

The sword, you must use the
sword. It was used to kill a

Merlin puts his hand on his forehead, tapping a finger

MERLIN (CONT'D)

It was used to kill an innkeeper,
does that make sense?

SAMANTHA

How....

MERLIN

Use the sword to summon Numue,
find a still lake, wait until
sunset and then throw the sword
into the lake. She can do what
you need

Merlin waves his hand in the air

SAMANTHA

Is it saf.....

Merlin pushes his hands forward and Samantha stumbles back,
as if pushed (lightly) by a invisible force.

MERLIN

Find sword, Summon lady, Merge
worlds, find me

Merlin whips his hand back and Samantha vanishes

Merlin stands alone, he looks down at the baby Arthur

MERLIN (CONT'D)

Why would I do that Arthur....

EXT. ALLEYWAY - MOMENTS LATER

Samantha suddenly appears in the alleyway, it is as if she has been running as she pops into view, she stumbles and Sean catches her.

SAMANTHA

(to Sean)

Jeeze, thank you

(to bricky)

You're a dick

BRICKY

What have I done now?

SAMANTHA

You're Merlin

SEAN

He's Merlin?

SAMANTHA

Sorta... Merlin and the Dragon
are one

BRICKY

I'm not Merlin

SAMANTHA

No.. Well yes, You should be, but
you are not

(taking a second)

Well whole I suppose

BRICKY

Well I feel fine

SAMANTHA

Sean, we've got to find Excalibur

SEAN

The Sword?!?

SAMANTHA

Trust me, that may be the easy
bit

EXT. POLICE STATION. OTHER - LATER

We are outside the police station. Samantha and Sean are talking as the walk inside. We follow them as they go.

SEAN

It's here? At the station

SAMANTHA

No. Merlin said an Innkepper was attacked with it. I'm hoping its been reported.

SEAN

You didn't get anything else?

SAMANTHA

He touched my forehead

Samantha places her hand on her head

SAMANTHA (CONT'D)

Once he did that he seemed to get distracted, he quickly spat it out then pushed me back here

INT. POLICE STATION. OTHER. LIFT - CONTINUOUS

They enter the lift and Sean pressed a button

SEAN

So get sword, summon lady of the lake, solve problem?

SAMANTHA

That's the plan, I doubt it'll be that easy though

The lift doors open, and stood in front of them is the Devil

DEVIL

Hey Guys, hows it going?

SEAN

What do you want?

DEVIL

I just thought I'd pop up and see my favourite humans. No need to be all crusty

SAMANTHA

We're busy, sorry this is important

DEVIL

Ohhhhh, Can I help. Sounds like fun. You have no idea how dull Hell is

SEAN

Can't you find someone else to bug?

DEVIL

Pleaseeeeeeeeeee, come on I can help. What'ya looking for?

SAMANTHA

Christ. Excalibur, we're looking for Excalibur

DEVIL

Oh I know where that is.

Sean and Samantha both stop and turn to face him

SEAN

You know where it is?

DEVIL

Sure, you don't think I am going to leave something like that up here. Pfft I'm not like him

The devil points up into the air

DEVIL (CONT'D)

You can't leave something like that just lying around

SAMANTHA

Can we have it?

DEVIL

Sure, give me one tick

The Devil just vanishes

SEAN

You trust him?

SAMANTHA

I don't know, maybe. He is the devil though..

SEAN

Something...

A ping in the air and the Devil is back

DEVIL

Some fuckers stolen it! Who the fuck would steal it from me!

SAMANTHA

What do you mean stolen?

DEVIL

I mean. I had it, and now it is not there. I mean demons, if you can't trust them then who can you trust

SEAN

So Merlin was right?

DEVIL

Wait, you've met Merlin, where is he?

SAMANTHA

I saw him in the past, he told me to get the sword and go to the lady in the lake

DEVIL

Well I'm not going there

SEAN

You weren't invited

The Devil continues as if Sean had not said anything

DEVIL

She hates me. We had a fling and well I said I'd call her back

SAMANTHA

You had a fling with the lady of the lake?

DEVIL

She gets bored, I was around at the time. I wanted to see if she was... well you'll see

Sean stands there, hand on his forehead

SEAN

So, you don't know where the sword is. You won't come to the lake. What exactly are you doing here?

DEVIL

Alright big boy, blimey keep your knickers on. I came to help but as I am not wanted, then bye

The devil vanishes again

SEAN

Do we really have to deal with that?

Samantha looks at him, then smiles a cheeky smile

SAMANTHA

Alright, keep your knickers on

SEAN

Don't you start

They walk over to a empty desk and Samantha taps away on the keyboard

SAMANTHA

Huh

SEAN

Any luck?

SAMANTHA

Strangely yes. Hmmm. Bar tender was killed earlier. Killed with a steel spike

SEAN

Sounds like what we're looking for. So is the spike here?

Samantha looks down the screen

SAMANTHA

No, they couldn't remove it

SEAN

So it's still there?

SAMANTHA

I guess so, lets go and see

INT. DIVEBAR - SOON AFTER

We are back in the Dive bar from EP4. The lights are dimmed and the bar is empty. Samantha stands next to the spike sticking in the wall

Samantha runs her finger along the spear, we hear a very faint tingle noise as she does so.

SAMANTHA

I don't know, I feel connected to it. Like it is a part of me

SEAN

But you can't shift it?

Samantha grabs it and tries to move it. It does not even wobble

SAMANTHA

Not at all.

SEAN

How are we meant to get it out?

DEVIL (O.S.)

Why don't you give it a go big boy

Sean and Samantha both jump and turn quickly in the direction of the voice

SAMANTHA

For fucks sake, are you following us?

DEVIL

No. Well sorta. I get bored.

The devil looks at Samantha

DEVIL (CONT'D)

The other night, wow

Samantha frowns at him

SAMANTHA

You'd better be joking

SEAN

You're spying on us?

DEVIL

What else do you think we do? Sit around the fires all the time roasting marshmallows. Chill out handsome, I've seen you too....

Sean shakes his head at this

SAMANTHA

Just tell us how to get it out of the wall

DEVIL

No idea, like I said, get him to have a go

Sean walks over to the spear and looks it over

SEAN

Why's it a spear

DEVIL

Timelines weird. Arthur was born in about 500CE. The sword was forged from the holy lance

SAMANTHA

Holy Lance?

DEVIL

Jeeze don't they teach you anything? Holy lance? Spear of destiny?

The Devil makes a stabbing motion

DEVIL (CONT'D)

Pokey pokey on christy wistey

SAMANTHA

So that thing?

Samantha points at the spear

SAMANTHA (CONT'D)

Killed Christ?

DEVIL

Nah, he was already dead. They used it to check

SAMANTHA

So it is cursed, or evil or something? I thought Excalibur was good

Sean has gone over the the spear and is looking at it

DEVIL

It is what it is, its enchanted. King of kings blood. The Arthur being the king of kings, and now.

Sean grabs at the spear and it pulls out easily. It changes as he pulls it. Morphing from the spear into a longsword

DEVIL (CONT'D)

The blood king. Gettit?
Bloodlines... King.. Yadda yadda yadda

SAMANTHA

So he is meant to be king?

SEAN

I can feel it, it's ... it's talking to me

DEVIL

I don't think it works like that any more, but he can use the power of the sword, spear.. Whatever it takes the form it needs

Sean looks over at the Devil

SEAN

What have you done?

Sean looks down at the sword

DEVIL

What haven't I done. You name it I've done it!

SEAN

No, the sword. It's telling me something. It knows what you did

DEVIL

Hold on there tiger. What's it
telling you?

SEAN

It's saying.....

The Devil vanishes from the room, just pops away in a puff of
red smoke

SAMANTHA

What the hell was that about?

SEAN

I.. Its hard to explain. It's not
a voice, or a feeling. It's more
like an instinct

SAMANTHA

What was it telling you?

SEAN

He was.. He is working with
Lilith

SAMANTHA

You're sure?

SEAN

Yeah.. I think so. Yes. I can
just sense it. It feels right

SAMANTHA

But why?

SEAN

That I don't know..

INT. REDHOUSE. FRONT ROOM - CONTINUOUS

Lilith sits in a red front room, on a red sofa. Everything in
the room is red. She has a glass of rose on the table next to
her. She picks it up and takes a sip when the devil pops into
the room

DEVIL

They know. That bloody spear told
him

Lilith takes another sip, she has not even flinched at him
appearing

LILITH

Sweetheart, just let things play out. They would have known sooner or later anyway

DEVIL

This has pissed on my chips and I don't fucking like it

LILITH

Calm down, It is not important

DEVIL

It's risking to much, if they know to much it could fail. They should not have found out yet

LILITH

Look what are they going to do next?

DEVIL

Nemue, taking the sword to her

LILITH

And then

DEVIL

Merlin

LILITH

So it is all going as we planned, it is not an issue. Come sit down

Lilith pats the seat on the sofa next to her. The Devil goes over and sits down. The Devil sits next to her. She grabs a packet of cigarettes from the table, puts town into her mouth. She clicks her fingers and a flame appears, she lights them both and passes one to the devil. He takes it and has a long drag of it.

DEVIL

I don't like it, I don't like it at all

EXT. LAKE - SOON AFTER

Sean and Samantha are at a lake, we can see everything is perfectly still and nobody else is around.

SEAN

So I just throw it in?

SAMANTHA

That is what he said. He said
find still water, a lake and
throw it in

SEAN

I'm not going swimming to get it
if this all goes wrong

SAMANTHA

Well I cant get it. I couldn't
even pull it from that wall

Sean drops his shoulders

SEAN

Well here goes noting

He throws the sword into the lake, as far as he can. It hits
the surface and sinks below the water. Ten seconds or so pass
and the water returns to being still. Nothing else happens

SEAN (CONT'D)

Oh for Christ sake

SAMANTHA

Bit close to the bone?

SEAN

I really... do you think it is
cold?

NEMUE (O.S.)

It is very cold

Sean and Samantha turn around and see Nemue.

SEAN

What the heck is it with you guys

NEMUE

You guys?

Nemue is a centaur. Completely naked top half with her
breasts covered by her long flowing bright green hair. She
just stands looking at them

SEAN

Immortals and sneaking up on
people

NEMUE

Who says I'm immortal?

SAMANTHA

You're looking good for someone
who has met Merlin

NEMUE

(snaps)

What do you know of Merlin?

SAMANTHA

(hesitant)

The dragon sent me to his past,
to see Merlin

NEMUE

Ahh, how is the brick?

SEAN

Depressing

NEMUE

You would be too if you had been
split in half

SEAN

Split in half?

NEMUE

(to Samantha)

You did not tell him?

SAMANTHA

I.. It didn't seem relivent

NEMUE

It is everything, Why do you
think he did it?

SEAN

Lilith?

NEMUE

Exactly. He did it to trap her

SAMANTHA

So what went wrong?

NEMUE

Nothing, it worked perfectly

SAMANTHA

But she is out now

NEMUE

It was always going to happen,
you cant keep us trapped for
long. We have all been confined
at one time or another

SEAN

Even you?

NEMUE

Even me. SO the question is, what
are you willing to do about it?

SAMANTHA

Us? What can we do? Merlin...
past Merlin told me to find you,
so I could.. Errr find him.

NEMUE

So you're looking for Merlin. I
can help, but so you want it?

SEAN

What do you mean?

NEMUE

Nothing comes for free. I can
give you Merlin, or the key at
least.

SAMANTHA

He's trapped?

NEMUE

Of sorts

SEAN

So you can help?

NEMUE

Can you live with it?

SAMANTHA

Explain, what would we have to
live with

NEMUE

Merging the dragon and Merlin
with have consequence, nothing is
without price

SEAN

So you keep saying, but what IS
the price?

NEMUE

(To Sean)

Your world will change

(To Samantha)

As will yours

SAMANTHA

How will it change?

NEMUE

Maybe for the better, maybe for
the worse. I do not know.

SEAN

Urgh this is pointless. Do you
ever answer a question?

NEMUE

I have answered

SEAN

Do you ever answer it straight?

NEMUE

I have done, now decide
descendent of kings

SEAN

Me, why do I have to decide?

NEMUE

You bought Excalibur home, you
have to choose.

SAMANTHA

Do it!

SEAN

Do It? I don't even know what IT
is! I could turn everyone into a
vampire, or worse!

SAMANTHA

What choice do we have?

SEAN

There must be another way

(to Nemue)

IS there another to kill Lilith?

NEMUE

You can't kill her, she is one of
the immortals

SEAN

Okay, more specific. Is there any
other way to trap her?

NEMUE

The only time she has been
trapped that I know of is when
Merlin did it

SAMANTHA

We have no choice Sean, it's this
or nothing

Sean resigns himself to the situation

SEAN

Okay, okay I'll do it

Nemue holds her hand out and a metal shard appears in it. She
hands it to Sean, he takes it

NEMUE

It is a shard from Excalibur. Use
it to split bricky. Once the
Dragon is released from its cage
it will free Merlin

SEAN

This will work?

NEMUE

This will work

SAMANTHA

Nemue, thank you.

NEMUE

Don't thank me, just.. Wait

Nemue steps forward, placing one hand on Samantha and one on Sean, they step back half a pace, like they had been pushed albeit lightly.

SEAN

What was that?

NEMUE

I have carved wards on your bones

SAMANTHA

What!

NEMUE

It will protect you from all but the worse attack, it will not last forever so if you are attacked I would suggest you run

SEAN

Run?

NEMUE

Quickly

SAMANTHA

Attacked, run... quickly. Got it.

(To Sean)

Come on Sean, lets go

NEMUE

So long, and thank you for returning what was mine

Sean and Samantha turn away and start to leave. Nemue walks into the lake the water not even rippling as she goes.

SEAN

Do you think this is a good idea?

SAMANTHA

I think it is our only idea

SEAN

Bricky ain't going to like it

SAMANTHA

Does he like anything?

INT. SAMANTHAS HOUSE - LATER

The door opens, Sean and Samantha enter.

SEAN

Where's bricky

BRICKY (O.S.)

I am here

SAMANTHA

Where is everyone else?

They have walked to a shot where we can see all three of them

BRICKY

They got bored, they said they were going to find a bar

SAMANTHA

That's not good. Two succubi and a fairy walk into a bar

SEAN

Is there a punchline?

SAMANTHA

Trouble

BRICKY

Did you find what you needed

SEAN

Sorta..... You wont like it

BRICKY

Why?

SAMANTHA

Bricky, do you want to see Merlin again?

MERLIN

Honestly I don't care, why would I. I'm a brick

SAMANTHA

But you're the Dragon!

Sean has walked around so he is behind bricky, he is slowly removing the shard from his pocket.

SAMANTHA (CONT'D)

But together you are complete,
apart... well you're just a brick

BRICKY

Just a brick? Just a brick?

Sean brings the shard down and it hits the top of the brick. The brick splits in an instant and sits there on the side. Dead, just a split brick. The shard just vanishes from Seans hand

SEAN

Did it work?

SAMANTHA

Bricky?

Nothing

SAMANTHA (CONT'D)

I was expecting, you know... like
fireworks or something

SEAN

What now?

SAMANTHA

Dunno, do we wait?

INT. REDHOUSE. FRONT ROOM - CONTINUOUS

Lilith and the Devil sit on the sofa. Lilith has straddled the Devil and is taking a sip from her glass. The room wobbles slightly

DEVIL

Wait.. Wait. It's happening. I
can feel it

LILITH

That's quicker than, ohh I feel
it

DEVIL

Silly, they've done it. Merlin is
out, they've actually done it!

They both leap up standing in the room, they look at each other

LILITH

What now?

DEVIL

Wait for it, wait for i.....

They suddenly move towards each other, almost too fast to see. They merge together in the centre of the room. A huge blob, writhing and morphing in the middle. Suddenly it turns to stone. It cracks down the centre and falls away on both sides. Lilith stands there alone.

She holds her hands out in front of her, looking at them as if they were new.

LILITH

Oh, that's wonderful

She looks down at the floor, like someone who was speaking to god would do the heavens.

LILITH (CONT'D)

My love, thank you. I feel complete.

She walks out of the front room, door slamming behind her.

EXT. REDHOUSE. - CONTINUOUS

Lilith walks out of the front door and out of the house. She turns to the house and clicks her finger. In an instant the house just vanishes. One moment it is there the next it is gone

She turns to the camera and walks towards it. She continues walking as she says

LILITH

This is going to be so much fun!

And then she walks past the camera and out of shot

INT. SAMANTHA'S HOUSE - MOMENTS LATER

Sean and Samantha sit looking at the brick

SEAN

Well we can't stay here forever

SAMANTHA

What are you thinking?

SEAN

I think we go and find where the others have gone, and see what they think

SAMANTHA

Works for me

EXT. STREET SAMANTHAS HOUSE - CONTINUOUS

We have a shot of the door, we are quite close in on the door. It opens and Samantha and Sean exit. As they do we pull back, we can see there faces. They are shocked at what they see.

SEAN

What...

SAMANTHA

The fuck?

The camera pans on a slow 360, we can see unicorns and carriages on the road, with normal cars. Each light is different in sequence. One is what we would consider normal, then there is a Victorian gas type one. The houses are the same.

Suddenly we hear a large explosion type noise from behind us, the camera spins 180 and Sean and Samantha run past us into the middle of the street.

A huge flaming stream fires up into the sky in the distance. The sky turns red as it hits, like all the clouds had been instantly infected

A huge black colourless hole opens up and we see a massive white lightning bolt come down and hit the ground somewhere in the distance.

SAMANTHA (CONT'D)

That can't be good

END
